Auto Rain is pleased to present the following sprinkler system maintenance for the residents of Regency of The Woods of South Barrington.

Included:

- **SPRING OPEN-UP:** Install RPZ (if removed), open water supply, run/inspect all zones and sprinkler heads to ensure proper adjustment and check for leaks, check/adjust controller programming, **certify RPZ and forward report to village**, test rain sensor (if any).
- **FALL SHUT-DOWN:** Shut water supply, perform forced air "blow out" of entire system, set controller to "off" position, remove RPZ (only if requested by homeowner, Auto-Rain does not recommend RPZ removal) and leave on site.

PRICE: \$140.00 Spring Open-up (Payment due prior to, or at time of service)

\$75.00 Fall Shut-down (Payment due prior to, or at time of service)

Please note: If you reschedule for the 3rd time there will be a \$25.00 reschedule fee

Payment options: Pay online (please call our office 3-5 days prior to service date, we will email an invoice to you, when you receive the emailed invoice, please click on the "pay now" tab, then follow the prompts to pay with ACH or Credit Card).

Pay at time-of-service with check, or cash

Mail a check prior to service (check must be received prior to day of service)

Note: **You will be billed separately for spring open up and fall shut down (2 billings).**
Please only pay the amount for the spring in spring, and the amount for fall in the fall.
